

PQA Plus® Site Status Rebate Program

The Wisconsin Pork Association and the National Pork Board are encouraging all producers and their employees to become PQA Plus® certified and achieve PQA Plus Site Status. The purpose of this program is to encourage producers to be proactive in providing the best possible care for their animals and show commitment to the ethical principles of pork production as outlined in the WE CARE responsible pork initiative. Having a PQA Plus® advisor review your operation can both improve the well-being and productivity of animals in your care by noting changes or additions that may not otherwise be noticed.

The Wisconsin Pork Association is offering a \$75 rebate to Wisconsin pork producers completing a PQA Plus Site Assessment. The funding is available on a first-come-first serve basis.

The following requirements and stipulations apply:

- Producer must have all site status paperwork completed.
- Producer must postmark the rebate form by December 15, 2018.
- Rebate amount may not equal more than the total assessment cost.

For more information, please contact Mandy Masters at mmasters@wppa.org or 1-800-822-7675 with questions or to see if funds are still available.
