

Youth Pig Project Application Form

The Wisconsin Pork Association Youth Committee is offering Youth Pig Project scholarships. These scholarships are designed to assist 4-H and FFA members in establishing swine projects that can lead to development of life skills and career opportunities in the Wisconsin pork industry.

4-H and FFA youth are eligible to apply for a \$50 scholarship used to offset costs associated with their 2021 pig project. WPA has the opportunity to offer a minimum of 50 scholarships. Age divisions, as of January 1, 2021 are as follows: Ages 9-12, 13-15, and 16-19.

****Youth who receive a WPA Youth Pig Project Scholarship will receive a follow-up questionnaire after their project year is complete. Wisconsin Pork Association is interested in how this program made a difference in your 4-H or FFA career involvement!****

For 2021, several Wisconsin show pig producers have generously helped sponsor the Youth Pig Project Scholarships. If you are looking for a producer to purchase your show animals from, please consider reaching out to the sponsors listed below. WPA extends a sincere THANK YOU to all pig project sponsors!
