

Wisconsin Pork Association Gunderson Memorial Scholarship 2023

Background: The Wisconsin Pork Association, in cooperation with the family of Buell Gunderson, established a scholarship program in 2007 to recognize the many contributions that Buell Gunderson made to the Wisconsin pork industry. As swine herdsman for the University of Wisconsin-Madison for more than 30 years, Buell Gunderson was instrumental in helping shape not only the swine industry, but also hundreds of 4-H and FFA youth and university students through his teaching, judging, coaching and commitment. In addition, Gunderson, together with his wife, Bernice, served as Secretary/Treasurer of the Wisconsin Pork Association for 20 plus years and assisted in growing the organization from its initial roots to the successful organization that it is today--sponsoring scholarships, developing youth programs and helping to support the pork producers of the state.

The Wisconsin Pork Association will accept recommendations or applications from county pork producer organizations, industry members, pork producers, and colleges or technical schools for recipients of the Gunderson Memorial Scholarship on an annual basis. Individuals who have shown considerable dedication and involvement in the pork industry will be considered for the scholarship.

Criteria: A committee will review applications to determine whether a \$1000 award will be presented annually. Additional awards may be given to qualified candidates at the committee's discretion. Criteria for the scholarship are listed below:

1. Individuals who have shown considerable dedication and involvement to the pork industry.
2. Consideration will be given to individuals who have established their own production herd, been involved on their family operation, or shown specific interest in pork production or livestock judging.
3. Priority will be given to those applicants who are beginning pork producers, or pursuing an Animal Science, agricultural production, or closely related major. Students who are attending college out of state, but were originally or remain a Wisconsin resident, may also apply.
4. Criteria may include, but are not limited to:
 - a. Industry activities
 - b. Career orientation
 - c. Financial need

Application deadline: December 1, 2022
