

2023 Youth Pig Project Sponsorship

Thanks to contributions from producers like you, 48 scholarships were awarded in 2022. Every year more youth apply for this scholarship. Due to the increased cost of raising livestock, we have increased the scholarship amount to \$100 this year. Our goal for 2023 is to raise enough funds to award a minimum of 50 scholarships.

All producers who pledge their sponsorship will:

- Be recognized in the WPA press releases regarding the scholarship program (Feb./Mar.)
- Have farm contact information provided to all scholarship applicants
- Be listed as a sponsor on the WPA Youth Pig Project website
- If applicable, sale dates will be posted on the website
